

Foster Care

Raising hope and fostering dreams!

Children living in foster care need a loving family environment, on-going support, structure and stability.

Qualifications of becoming an Apelah Foster Parent

- Can be single or married
- At least 21 years of age
- With or without children of your own
- Financially stable
- In good health
- Willing to submit to background checks and fingerprint testing
- Complete PRIDE training
- Provide four (4) references
- Participate in the Home Study process

As a Foster Parent, you should be able to:

- Give without the expectation of immediate returns
- Have sufficient room in your home and your daily life
- Learn and use proven behavior management skills
- Love and care for children regardless of their problems
